2005 ZX6R 636

Slc, UT | 1 days

\$3,200.00

Feeler ad. Needing to sell my bike this summer. Make an offer. It passed safety last week, if ridden this season it'll probably need new front brake pads. It has been laid down by a previous owner but it runs great and sounds good (yoshi exhaust), just some cosmetics. Has almost 18,000 miles. I'll put more pics on later
